Hi, Janice. We are prepared to move quickly on a waiver request. Has Region 8 or OSWER formally submitted the request to OGD? Thanks, Howard

All-

We have our Gold King Mine Release Incident Command and General Staff Brief tomorrow at 9am. One of the items that La Plata County will be wanting an answer to is the status of the waiver of the 90 day pre-award cost for the Cooperative Agreement to allow pre-award costs up to 180 days.

Has anyone heard back from OGD on this? As things are ramping down here, this will likely be our last Command and General Staff Meeting, so it would be helpful to have an answer by 9am tomorrow.

We would greatly appreciate a response as soon as possible.

Thank you,

Janice
